---

Greetings:

We would like to introduce ourselves; The Greenview Civic Improvement Association was formed in 1969 with the mission of serving the citizens of Greenview and the surrounding communities in Menard County by operating the Greenview Community Building, the annual Greenview Labor Day Celebration, community activities and by providing scholarships to area high school students. We hold at least 6 fund raising events yearly and use all funds from the events to maintain and improve the community building as well as award scholarships to area students. The community center is made available (free of charge) for educational groups and clubs, and can be rented for private parties, family events and business meetings.

We are reaching out to the residents of the Greenview area to find out how you would like The Civic Improvement Association operate activities at the building for the betterment of the community as well as any other community activities you wish would happen. Summer activities, craft group gathering, hobby classes, etc. come to mind but think outside the box!

Currently, the community building is open daily, Monday through Friday 10:00 a.m. – Noon serving Daily Bread lunches, a nutritious meal provided by Senior Services for senior citizens and available to public for a reasonable fee. This is a great way to meet your neighbors and get a good meal in the middle of the day. Reservations, should be made by noon the day before, are required. Menus and details can be found on the Village of Greenview's website.

Also, the 54<sup>th</sup> Annual Greenview Labor Day festival will be here before we know it and the Greenview Labor Day Committee would like to invite you to participate in our Labor Day activities. Funds raised are used to support the Labor Day Festival, the community building and support other community events throughout the year.

Is there an activity you would like to see happen? Would you like to sponsor an activity? Volunteer to help where you can? We've compiled some ideas that have been discussed. Please give us your feedback.

Some of these activities could possibly coincide with the Labor Day celebration and some are Labor Day specific.
